Seminar Descriptions

Anthony Garnes: Do you want more information about other programs at Wake Tech? Come talk with the Recruitment Specialist.

Apps for Education: So many people have smartphones, but don't use them to help them with school. Come learn how to use your phone to make *you* smarter.

Civic Engagement and Voter Registration: Voting is an important part of our democracy, but too few people participate. Learn about the process and take the opportunity to register to vote.

Microsoft Excel for College Readiness: Whether its an assignment, a budget, or for something personal, Microsoft Excel can help keep you organized.

Microsoft OneNote for College Readiness: The Basics: Some classes require a lot of notes, but how can you keep them all together? OneNote allows you to neatly create notes for classes and save them to the cloud for convenient access anywhere there is Internet.

Microsoft Word for College Readiness: The Basics: College classes and most work places require typed work. Learn how to use Microsoft Word for success in college and the work place.

Open Advising Fridays: Concerned, confused, in need of some guidance? Come talk to an advisor!

Quizlet for Success: Studying at home or on your own is necessary for success. Learn about this excellent, FREE, online program that allows you to set-up study lists.

What's a Digital Dropbox? Your notes, files, pictures, and other important documents need a home, and you can store them in the "cloud." Come find out what the "cloud" is and how to use Dropbox.

4S Orientation Session

4S is a 4 day class for students who want to join a class in the middle of a semester or the following semester.

September 19-22, 9AM-12PM
