Injunction

(noun)

An authoritative warning. An order.

Call (919) 334-1527 with questions

Seminar Descriptions

Computer Practice: Computers are everywhere, and many classes or tests will require you to use one. If you are concerned about computers, or just want more practice with them, come to the STAR Center to develop some basic computer knowledge and skills.

Guided Test Practice: Are you nervous about what to expect on the official High School Equivalency Tests? Do you want a little guidance about how to take the test? The STAR Center will have guided test practice on Thursdays at 12 noon or 5pm to help you get more comfortable with the test.

Logic Puzzle: Logic is simply the best or most appropriate way to think through something. Much of school (and life) success hinges on developing sound logic. Math and writing heavily rely on logic. Come to the STAR Center on Mondays to practice your logic through puzzles that challenge your mind.

Practice Test: Are you ready to take an official High School Equivalency test? Prove it! Come take a practice test in the STAR Center on Tuesdays at 12 noon or 5pm.

Trivia: Come play a game with your classmates to challenge your brain, learn something new, and enjoy a snack. We host trivia in the STAR Center on Wednesdays from 12-1pm or 5-6pm. Bring a friend, a phone, and your curiosity.

*Sign-up for Online Practice
using Keytrain!! Come to
the STAR Center during
open hours for an account.*

FREE Tutoring!

*Monday-Thursday 12-2PM in Room
223B*

About Your STAR Center: Beltline Education Center, Room 221B

Here at the STAR Center our goal is to help you discover your inner star, so you can move on to your next educational or career goal. We offer one-on-one support from our coaches and our lab provides computers for test prep, practice typing, self-discovery, career and job researching, college applications and information, and the mastery of new skills.
