

College Bound Computer Scavenger Hunt for Information

Part I: General Information

1. Go the Wake County Community College Website at: <http://www.waketech.edu/>
2. Look at the bottom of the main screen. Where is Wake Tech's main campus located? What is the phone number?
3. I am interested in taking classes at Wake Tech. Will I go to "Current Students" or "Future Students"?

_____ - Click there.

4. What are some examples of the information provided for Future Students? List three things.

1.

2.

3.

Part Two: International Students: (If you are NOT an international student go to part three)

1. Open "International Students" in a new tab. (Right click)
2. Summarize the Admission requirements for New (International) Students:

1.

2.

3.

4.

5.

3. What are the estimated expenses of tuition for a year?

4. Go to "Student Orientation." Click on "Student Orientation Presentation.pdf"
Read the presentation and answer the following questions.

1. If you are on an F-1 visa. How do you stay legal?

2. How many credit hours must you take each semester?

5. Go back to the International Student website. If you have questions, who can you contact? (List both people and phone numbers)

Go back to the “Future Students” page.

Part Three: Future Students

1. Open “Admissions Procedures” in a new tab. Will you click on “Curriculum Education Courses” or “Continuing Education Courses”?

2. Click on “I am a new student.” (It is on the right side of the screen.)
What are the admission procedures?

1.

2.

3.

4.

5.

6.

3. You must take the COMPASS test. Where do you go?

4. Where can I meet my advisor? (What building)

Go back to the “Future Students” page.

Part Four: Important Dates

1. Open “Important Dates” in a new tab. When does the Fall 2011 semester begin and end?
2. What days are there no classes?
3. If I change my mind and want to drop the class, what is the last day I can drop and still get 75% of my money back?

Go back to the “Future Students” page.

4. Open “Preview Course Schedule” in a new tab. Search the credit course for a class you might be interested in taking in Spring 2011.

What is the Section information and name of the course?

When and where does it meet?

What is the name of the teacher?

Go back to the “Future Students” page.

5. Open “Campus Tours” in a new tab. How do I register for a tour? What time is the next tour? Is it at Main Campus or North Campus? If I cannot attend the tour I signed up for, can I cancel it?
